INDEPENDENT AUDITOR'S REPORT

Board of Directors
Maoz, Inc.
Grand Prairie, Texas

Report on the Financial Statements

I have audited the accompanying financial statements of Maoz, Inc., a nonprofit organization (the Organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, and cash flows for the year then ended and the related notes to the financial statements.

The prior year summarized comparative information has been derived from the Organization's 2020 financial statements and, in my report dated April 28, 2021, I expressed an unqualified opinion on those financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained on pages 4 through 7 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 - Nature of Organization:

Maoz, Inc. (the organization) is a multi-dimensional outreach organization to people living in Israel. The organization's primary activities are to promote better understanding of the Holy Scriptures among Jewish and non-Jewish peoples; to inform the public about Messianic Judaism through publishing books in Hebrew and other forms of media; and to cooperate with Messianic congregations and outreach works which foster closer relations between Jews and non-Jews who accept the validity of the Scriptures. The organization's primary source of revenue is free-will donations from supporters of the organization.

The organization was incorporated under the laws of the District of Columbia on June 25, 1976.

Maoz is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code (the Code) and comparable state law, and therefore, contributions by the public are tax deductible within the limitations prescribed by the Code. The organization has been classified as a publicly supported organization, which is not a private foundation under Section 509(a) of the Code. The organization files an annual Internal Revenue Service Form 990, "Return of Organization Exempt from Income Tax," and is registered as a charitable organization in 20 states.

The organizations administrative office is located in Grand Prairie, Texas and the organization has facilities and offices in Tel Aviv, Israel.

The work of the organization is supported by the following affiliated organizations: Maoz Brazil, Maoz Canada, Maoz Asia, Maoz UK, Maoz Germany, Maoz Español, and Maoz Ireland. These organizations are principally fund raising organizations in their respective countries for the work of Maoz Israel.

Note 2 - Summary of Significant Accounting Policies:

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

The organization's accounts are maintained, and these financial statements are presented, on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recorded when incurred. This method is required by United States generally accepted accounting principles. The assets and liabilities of the organization are reported as one of two classes of net assets: either without donor restrictions, or with donor restrictions, in accordance with FASB ASU 2016-14.

The accounts are maintained in accordance with the principles of net assets accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into categories established according to their nature and purposes.

Maoz uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported resources and expenditures. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Maoz pursues its objectives through the functions of seven major programs:

Congregational support - Support congregational activities throughout the week, including Shabbat weekly meetings, children's classes, holiday fellowships, one-on-one Bible training, as well as group Bible studies, humanitarian aid and small group weekly meetings.

Education - Write monthly publication educating both Jew and non-Jew concerning events taking place in modern Israel and its relationship to Bible principles.

Hebrew Publications - Translate, print and publish outreach and discipleship materials into the Hebrew language. Develop other forms of media exposure for the building of a foundation of believers in Israel, through internet website, books, music, and audio/video.

Note 2 - Summary of Significant Accounting Policies (cont.):

Benevolence, support, and grants - Contribute monetarily to individuals for basic needs, to terrorism victims and to other ministries and individuals, both Jew and Arab, living in Israel.

Fellowship of Artists - A collaboration of Jewish, Arab and international worship leaders, musicians, and artists from all over Israel for times of mentoring and refreshing, under the leadership of Kobi and Shani Ferguson, CEO and CCO of Maoz Israel Ministries. We provide new and fresh music from the Land and professional-level training and publishing opportunities to believing Israeli musicians, singers, songwriters and engineers in our world-class studio in Jerusalem.

Fund Development - Connect with partners and others to form a nucleus of prayer and financial support around the world for the express purpose of promoting Messianic Judaism in Israel and other countries.

General and administrative - Support the general operations of the organization in Israel, United States and around the globe.

Net AssetsRecent Accounting Standards Issued

In 2020, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-14 "Not-For-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities." ASU 2016-14 was issued to improve the financial reporting model for nonprofit organizations. The new guidance reduces the required classes of net assets from three to two, requires all organizations to provide information about expenses by both nature and function, and changes presentation and disclosure requirements by simplifying some requirements and enhancing others. ASU 2016-14 is effective for annual periods beginning after December 15, 2017.

Support and Resources

Contributions are recorded when made, which may be when cash is received, unconditionally promised, or ownership of donated assets is transferred. Maoz shows restricted contributions whose restrictions have been met in the reporting period as unrestricted support. If the restrictions are not satisfied in the same reporting period, the contributions are recorded as temporarily restricted. Upon satisfaction of the restriction, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from purpose restrictions. All contributions are considered available for the general program of the organization, unless specifically restricted by the donor or subject to other legal restrictions.

Note 2 - Summary of Significant Accounting Policies (cont.):

Other income is recognized when earned. Expenses are recognized when incurred in accordance with the accrual basis of accounting.

Contributions other than cash are recorded at the fair market value of the donated asset at the date of donation.

In the absence of donor restrictions as to the period in which funds received from legacies and bequests are to be used, revenue is recorded when the award is received.

Cash & Cash Equivalents

Cash and investments include checking, savings, money market accounts, and marketable securities. These accounts at times may exceed federally insured limits. The organization, however, has not experienced any significant losses on these accounts and does not believe it is exposed to any significant credit risk.

Property and Equipment

Property and equipment are recorded at acquisition cost. The organization capitalizes assets with a cost greater than \$300. Depreciation is computed using the straight-line method over the following estimated useful lives:

Furniture and equipment	5-15 years
Building and Improvements	39 years
Transportation equipment	5 years

The organization has removed certain fixed assets from its books. These fixed assets were determined by management to be out-of-service due to obsolescence or retirement. (See Note 3).

Maintenance and repairs are charged to operations when incurred. Betterments and renewals are capitalized. When property and equipment is sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations.

Allocation of Expenditures

The costs of providing the various program services and supporting activities of the organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities. (See Note 7).

Subsequent Events

The organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through April 27, 2022 (the date the financial statements were available to be issued).

Maoz Tzur

The accompanying financial statements of Maoz, Inc. include the accounts and activities of Maoz Tzur, Inc., an Israel based corporation, which was incorporated in Israel on July 22, 2001. Maoz Tzur, Inc. was created by Maoz, Inc. for the purpose of being able to compensate Israel employees and carrying on solely based Israel not-for-profit business transactions for Maoz, Inc.

Statement of Position (SOP) 94-3 outlines accounting and reporting guidelines for nonprofits that are financially interrelated. These guidelines include how to determine when a nonprofit organization should present consolidated financial statements as its primary financial statements.

Nonprofits may be related to one or more other nonprofits in numerous ways, including ownership, control, and economic interest. SOP 94-3 defines economic interest as an interest in another entity that exists if:

- (1) the other entity holds or utilizes significant resources that must be used for the unrestricted or not-for-profit organization, either directly or indirectly, by producing income or providing services, or
- (2) the reporting organization is responsible for the liabilities of the other entity.

SOP 94-3 elaborates and gives examples of economic interest:

- A reporting organization transfers significant resources to another entity whose resources are held for the benefit of the reporting organization.
- A reporting organization assigns significant functions to another entity.
- A reporting organization provides or is committed to provide funds for another entity or guarantees significant liabilities of another entity.

According to these guidelines, Maoz Inc. and Maoz Tzur, Inc. are economically interrelated, and it is appropriate for Maoz, Inc. to include Maoz Tzur, Inc. financial information within the framework of Maoz, Inc. financial reporting.

Maoz Tzur, Inc. undergoes an annual audit by an independent CPA firm.
